MEDICAL

- **CALL 9-1-1 IMMEDIATELY!**
- Provide 911 with location, nature of injury, current condition and other requested info
- Keep injured still and comfortable
- Do not move the injured person unless they are in immediate danger
- Render first aid or CPR/AED if trained and feel comfortable doing so
- Avoid leaving injured person except to summon help
- Send someone to meet the ambulance

SUSPICIOUS ACTIVITY

- Do not physically or verbally confront an individual engaged in criminal activity or handle a suspicious package
- Do not disturb, touch or use electrical devices near a suspicious object; alert others to stay clear of the area
- **CONTACT** Public Safety (503.399.5023)
- Provide as much info as possible: about the person and their direction of travel

ACTIVE THREAT

- **RUN**—if a safe escape path is available
- **HIDE**—find a place the attacker is less likely to find you and that can be locked and secured. Stay low, hidden and spread out
- **FIGHT**—only as a last resort and when your life is in danger
- When safe to do so, call or text 911
- **SHELTER IN PLACE** if you receive the alert but are not in the vicinity of the threat
- When you see law enforcement, show them your raised open hands and do not scream or grab at them

EARTHQUAKE

- **STOP, DROP, COVER, and HOLD ON** until the shaking stops
- Exit building after shaking stops
- Assist persons with disabilities
- Move well away from the building
- Never re-enter a building after evacuating unless cleared by emergency personnel

FIRE

- Activate the nearest fire alarm
- Evacuate and notify occupants as you leave; offer assistance to others if necessary
- **CALL 9-1-1**
- Don't use elevators
- Close doors to contain fire
- Feel doors—Don't open hot doors
- Only attempt to extinguish a fire if trained
- Do not re-enter building(s) until directed by emergency or college personnel

EVACUATE

- Follow emergency alarms immediately
- Assist persons with disabilities
- Close all doors when exiting
- Move away from the building
- Never re-enter a building after evacuating unless cleared by emergency personnel
- Follow instructions of first responders or college officials

NOTE: All campus parking lots are designated assembly areas

MÉDICO INMEDIATO

- **¡LLAME AL 9-1-1 INMEDIATAMENTE!**
- Proporcione al 911 la ubicación, la naturaleza de la lesión, la condición actual y otra información solicitada
- Manténgase lesionado quieto y cómodo
- No mueva a la persona lesionada a menos que esté en peligro inmediato
- Prestar primeros auxilios o RCP/DEA si está capacitado y se siente cómodo haciéndolo
- Evite dejar a la persona lesionada excepto para pedir ayuda.
- Envía a alguien a buscar la ambulancia

POWER / UTILITY FAILURE

- Notify Public Safety 503.399.5023 to report power outages or utilities disruptions
- For power outages, remain calm and move to a lighted area; offer assistance to others, as needed
- If suspected gas leak, immediately evacuate the area through the nearest marked exit

SHELTER IN PLACE

- Seek a safe location without hazards
- Seek an interior room, if possible
- Close windows and doors
- If in a **LOCKDOWN** situation:
 - lock or barricade room door
 - cover windows
 - seek cover behind solid objects
